PETITION TO CONVERT §371 APPLICATION TO §111 APPLICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Commissioner is respectfully requested under 37 CFR §1.182 to reclassify the referenced application as a utility application. The filing fee of \$1400.00, Transmittal Letter and Petition Fee is submitted concurrently with this petition.

The application was inadvertently designated as a §371 application, when it should have been filed as a utility application claiming benefit of an earlier foreign filed application under 35 U.S.C. §119. The designation was inadvertent, unintentional and without deceptive intent. Applicants request that the application be accorded its actual filing date at the U.S. Patent and Trademark Office, i.e., September 19, 2005 as requested in the transmittal papers inadvertently designating §371. Enclosed is a copy of the date stamped postcard indicating receipt by the U.S. Patent and Trademark Office of the §371 application on September 19, 2005.

This application was filed September 19, 2005, with an executed Declaration.
